* Kaplan Professional is changing the way we offer lectures. Based on student feedback we will be offering face-to-face access to practitioners and learning support in different ways. Face-to-face practitioner sessions will be provided for the core subjects^ in Australian state capitals. Please select the lecture option at the time of enrolment if you wish to attend these sessions for the core subjects. Downloadable lecture audio files and access to practitioners through discussion forums is available for all subjects, including the electives, allowing more flexibility in the way students can study.

^ core subjects are subject codes FIN111, FIN112, FIN113 & FIN114.
