Provision of Entry Requirement Documents

As part of the entry requirements into Kaplan’s postgraduate qualifications you are required to provide Kaplan with documents* supporting that you meet the requirements for entry into the course.

You may choose to bring in the original document to a Kaplan office, where a Kaplan staff member will sight your documentation and take a copy for your student record.

If you are unable to visit a Kaplan office, you may provide a certified copy of your qualifications. A certified copy has been verified to be a true copy by a witness after sighting the original. The person certifying the photocopy must sight the original document and include the following details on all pages that contain information:

- stamp or write, ‘This is a true copy of the document sighted by me’
- sign, date and provide contact details (name, address and telephone no.)
- the official stamp or seal of their organisation or their profession and organisation name
- the official ID/Member number of their profession.

WHO CAN CERTIFY MY DOCUMENTS

- an accountant (they must be a member of the Institute of Chartered Accountants in Australia, the Australian Society of Certified Practicing Accountants, or the National Institute of Accountants, or the Association of Taxation and Management Accountants or Registered Tax Agents).
