Program delivery
Students receive all materials and resources needed to complete the program. The programs are delivered by self-study via our eLearning platform, with the exception of the Victorian Licensing program. Victoria licensing students are provided hardcopy materials and access to our eLearning platform and must complete assessments via both methods. All other states and territories complete their studies via our eLearning platform.

Recognition of prior learning assessment
Recognition of prior learning (RPL) is a formal assessment process that recognises a student's current skills and knowledge. If a student has the necessary experience and skills they may be competent in one or more of the units even though they have not completed recognised training. Students will have a consultation with a Kaplan Professional assessor prior to submitting their RPL evidence for assessment. During this consultation the assessor will advise the student of the specific evidence needed to apply for RPL for the given unit(s). Students will then submit a portfolio of evidence to Kaplan Professional for assessment. More information on RPL can be found at http://www.kaplanprofessional.edu.au/Real_Estate/RPL.

Recognition of Prior Learning and exemption application fees apply. Kaplan’s fee schedule can be downloaded via our website at http://www.kaplanprofessional.edu.au/faqs/real-estate-fees/

Special consideration and reasonable adjustment
If you require special consideration regarding the completion of any subject or assessment for reasons including difficulties with the English language or disadvantage due to a medical condition you must make Kaplan aware of the circumstances during your enrolment. Special consideration applications will not be processed once an enrolment has expired. If you have an existing condition or special learning need which impacts on your ability to study or to complete assessment, please refer to the ‘Assessment Policy’ available on the Kaplan website at www.kaplanprofessional.edu.au/Study_Information/Policies.

Appeals and complaints
All complaints are taken seriously and, as such, Kaplan determines to act on any complaint found to be substantiated. You should refer to the Student Grievance Policy with regards to resolutions of complaints or appeals (including, but not limited to assessment disputes).
