

# Graduate Certificate in Corporate Finance

## Students enrolled prior to SP1 2021

Students enrolled prior to SP1 2021 will complete the Graduate Certificate in Corporate Finance under the previous course structure.

### 3 Core Subjects

FIN101 Financial Markets and Economic Principles

FIN103 Financial Analysis and Valuation

FIN205 Business Valuation

### 1 Elective Subject

FIN202 Fundamentals of Asset Valuation

FIN330 Mergers and Acquisitions

FIN342 Applied Corporate Finance

If you have enrolled into the Graduate Certificate in Corporate Finance prior to 25 November, 2020, you will have until Study Period 6, 2021 to complete your qualification under the current structure.

You may be eligible to transfer to one of the following qualifications at any time prior to Study Period 6, 2021:

- *Graduate Certificate in Corporate Finance – new course structure (enrolments available from Study Period 1, 2021)*
- *Graduate Certificate in Applied Finance*
- *Graduate Diploma of Applied Finance*
- *Master of Applied Finance*

If you'd like to transfer your enrolment to one of the above qualifications, we encourage you to contact us to discuss the best option suited to your individual circumstances, as you may be eligible for advanced standing depending on subjects you've previously completed.
