DELIVERY MODE

This subject is delivered online and does **not** include hard copy notes.

Kaplan's online learning portal, KapLearn, enables the provision of innovative, interactive learning resources and support. KapLearn can be accessed anywhere, at any time, using a computer or mobile device that has internet access.

KapLearn is the access point for subject notes, supplementary learning material and assessments. KapLearn is also the access point for ongoing support. The 'Ask your tutor' forum provides continuous technical support from subject matter experts.

ASSESSMENT TASKS

The assessment task for this subject is:

Examination: Supervised, **closed book** online multiple choice exam.

A 138 minute supervised closed book exam of 55 multiple choice questions, based on the topics in the subject notes. All exam answers can be sourced from the subject notes. Readings and other supplementary materials are not assessable. Students will receive instant results at the completion of the exam.

Students must sit the exam within 12 weeks of their enrolment date.

The exam has six segments:

- Segment 1: Topic 1 and 2 (10 questions)
- Segment 2: Topic 3 (10 questions)
- Segment 3: Topic 4 (10 questions)
- Segment 4: Topic 5 (10 questions)
- Segment 5: Topic 6 (10 questions)
- Segment 6: Topic 7 (5 questions)

Students must achieve an 80% pass mark in each segment of the exam. If a student fails their examination, they will be re-examined only on the segment(s) for which they were deemed 'not yet competent'.

An enrolment entitles the student to up to two resit exams on any segments for which they are assessed as 'not yet competent'. Students must complete any resit exams within four (4) weeks of their first exam attempt.

Students may attempt the exam at any time if they believe they are adequately prepared. Students will receive personal reminder emails as they approach their assessment deadline.

Students who complete the subject will receive a Certificate of Completion.
