

DFP2 Insurance and Risk Protection

Subject outline

Subject overview

FNS50615 Diploma of Financial Planning			
*IFPv1 Introduction to Finance Principles (Introductory subject - optional)	DFP1 Financial Planning Fundamentals	DFP2 Insurance and Risk Protection	DFP3 Superannuation and Retirement Planning

DFP2 Insurance and Risk Protection is the second of three subjects in the FNS50615 Diploma of Financial Planning. This subject introduces students to the concepts of personal risk management as they apply to retail clients and considers the participants, products and regulation within the insurance industry. The principles underpinning policy documentation, underwriting, risk appraisal and pricing are also covered, as are approaches to designing client recommendations using insurance products.

Upon successful completion of the subject, students will meet the education requirements of ASIC Regulatory Guide 146 (RG 146) for providing personal advice in Life Insurance.

At the successful completion of DFP1 Financial Planning Fundamentals, DFP2 Insurance and Risk Protection, and DFP3 Superannuation and Retirement Planning, the FNS50615 Diploma of Financial Planning will be awarded.

Learning outcomes

- FNSCUS506 Record and implement client instructions

Subject duration

Students have a total of:

- 12 weeks to complete the learning and assessment requirements for the subject, DFP2 Insurance and Risk Protection, from their initial activation date.
- An additional four (4) weeks resubmission time, which will be granted if all assessment tasks have been attempted and the student has been deemed not yet competent in one or more tasks. This time can be used to resubmit a written and oral assignment or resit an exam.

Therefore, if a student completes the learning and assessment, and the resubmission time is granted, the duration will be 16 weeks.

The **amount of training** for this subject may be up to 15 hours per week. The amount of training is the hours a student can expect to spend to complete their course work and assessments.

In addition to the amount of training, students who are new to industry or vocational training could need up to 5 hours per week known as **unsupervised hours**. These additional hours are for study skills or further research. For example, a student not working in industry would need more time to review industry websites that are usually introduced in workplace compliance training. **Students working in industry may be able to complete the subject requirements in a shorter timeframe or less hours per week.**
