

## DGI1 General Insurance Fundamentals

# Subject outline

## Subject overview

**General Insurance Fundamentals (DGI1)** is the first of five subjects in the FNS51115 Diploma of General Insurance. Kaplan Professional's Diploma of General Insurance supports the role of professionals working in the general insurance sector.

In this subject, students will learn about the financial services industry, legislation and codes of practice, general insurance products and services, client relationship management skills and continuous improvement processes. The table below shows the recommended study order for FNS51115 Diploma of General Insurance.

FNS51115 Diploma of General Insurance				
<b>DGI1</b> General insurance fundamentals	<b>DGI2</b> Provide Tier 1 general insurance personal advice	<b>DGI3</b> Client relationship and risk	<b>DGI4</b> Measuring client needs	<b>DGI5</b> Sales and claims management

## Learning outcomes

On successful completion of General Insurance Fundamentals, students should be able to:

- apply legislation, regulation and procedures to general insurance job roles
- identify general insurance products and services and who they are suitable for
- respond to client enquiries with client relationship management skills
- propose continuous improvements based on client feedback.

## Topics

Topic 1: General insurance and the financial services industry

Topic 2: General insurance products and services

Topic 3: Work well with clients

## Units of competency

Code	Title	Core or Elective	Topic	Exam	Written and Oral Assignment
FNSINC401	Apply principles of professional practice to work in the financial services industry	C	Topic 1 and 3	Yes	Yes
FNSINC402	Develop and maintain in-depth knowledge of products and services used by an organisation	C	Topic 2	Yes	Yes

The above 2 units of competency are awarded for the successful completion of General Insurance Fundamentals; 2 core. These units of competency form part of the FNS51115 Diploma of General Insurance.

**Note:** The assessment is listed by unit of competency above. The assessments within the course are combined covering multiple units of competency. Refer to 'Assessment tasks' for further information.

## Subject entry requirements

There are no entry requirements.

However, it is recommended that individuals complete Tier 2 General Insurance General Advice for underpinning knowledge. It is also recommended that individuals are working in the insurance industry.

## Subject duration

Students have a total of:

- 12 weeks to complete the learning and assessment requirements for General Insurance Fundamentals from their initial activation date.
- An additional four (4) weeks resubmission time per subject, which will be granted if all assessment tasks have been attempted and the student has been deemed not yet competent in one or more tasks. This time can be used to resubmit a written and oral assignment or resit an exam. There is no fee for this extension.

Therefore, if a student completes the learning and assessment, and the resubmission time in every subject is granted, the duration will be 16 weeks.

The **amount of training** for this course may be up to 15 hours per week. The amount of training is the hours a student can expect to spend to complete their course work and assessments.

In addition to the amount of training, students who are new to industry or vocational training could need up to 5 hours per week known as **unsupervised hours**. These additional hours are for study skills or further research. For example, a student not working in industry would need more time to review industry websites that are usually introduced in workplace compliance training. **Students working in industry may be able to complete the course requirements in a shorter timeframe or less hours per week.**

If a student applies for extensions beyond the 16-week completion timeframe or is granted special consideration, the maximum period of time to complete this qualification is two years from the qualification activation date. If enrolling in single subjects with the intention of completing a qualification, the two year timeframe is calculated from the initial activation date of the first subject.

Additional study-related fees apply to formal extensions and re-enrolments. Please refer to the Vocational Education Fees schedule found [here](#).

Please also refer to our Vocational Education and Training (VET) Enrolment Terms and Conditions [here](#) or our Student Handbook [here](#) for important information on:

- Subject activation and completion timeframes
- Extensions
- Subject re-enrolment

## Delivery mode

## Assessment tasks

The assessment tasks for this subject are listed below. Units of competency are co-assessed by topic within course as follows. The units of competency are co-assessed as listed earlier in ‘Units of competency’.

Topic	Assessment	Assessment Detail
Topics 1 and 3	1 Exam	Supervised, open book multiple choice examination, four (4) attempts.
Topics 1, 2 and 3	1 Written and Oral Assignment	Written and oral assignment — two (2) attempts <ul style="list-style-type: none"> <li>written — short answer questions, case studies</li> <li>oral — oral questions and role plays. The mode of oral assessment is by audio recording. Students will need to organise a volunteer to assist in the role plays.</li> </ul>

Students may attempt the exam and/or submit their written and oral assignment at any time if they believe they are adequately prepared. Students will receive personal reminder emails as they approach their assessment deadlines.

Students must be deemed competent in all assessment items, including demonstrating competency in all of the exam questions, in order to be awarded their qualification or course.

Students who complete the subject will receive a statement of attainment.

## CPD points

If students wish to apply for CPD points so that their Kaplan Professional insurance course counts towards their membership with the relevant industry body, they will need to supply the industry body with a copy of their transcript listing the units of competency.

## Recognition of Prior Learning

Individuals may be able to obtain Recognition of Prior Learning (RPL) for a Kaplan Professional award subject based on their previous study and/or work experience. To do this, individuals must submit evidence that demonstrates they have already met the requirements of the subject through these other means.

Evidence can take many forms, such as information about approved study, information about work experience, certificates, transcripts or other credentials.

To find out if you are eligible for RPL, refer to our [Credit Transfer and Recognition of Prior Learning \(RPL\) page](#).
