Subject entry requirements

There are no entry requirements.

However, it is recommended that individuals complete Tier 2 General Insurance General Advice for the underpinning knowledge. It is also recommended that individuals are working in the insurance industry.

Subject duration

Students have a total of:

- 12 weeks to complete the learning and assessment requirements for the subject, Tier 1 General Insurance Personal Advice, from their initial activation date.
- An additional four (4) weeks resubmission time, which will be granted if all assessment tasks have been attempted and the student has been deemed not yet competent in one or more tasks. This time can be used to resubmit a written and oral assignment or resit an exam. There is no fee for this extension.

Therefore, if a student completes the learning and assessment, and the resubmission time is granted, the duration will be 16 weeks.

The **amount of training** for this subject may be up to 15 hours per week. The amount of training is the hours a student can expect to spend to complete their course work and assessments.

In addition to the amount of training, students who are new to industry or vocational training could need up to 5 hours per week known as **unsupervised hours**. These additional hours are for study skills or further research. For example, a student not working in industry would need more time to review industry websites that are usually introduced in workplace compliance training. **Students working in industry may be able to complete the subject requirements in a shorter timeframe or less hours per week.**

Additional study-related fees apply to formal extensions and re-enrolments. Please refer to the Vocational Education Fees schedule found [here](#).

Please also refer to our Vocational Education and Training (VET) *Enrolment Terms and Conditions* [here](#) or our Student Handbook [here](#) for important information on:

- Subject activation and completion timeframes
- Extensions
- Subject re-enrolment
