

Learn, to lead.
**Accredited Derivatives
Adviser Level 2**

Accredited Derivatives Adviser Level 2 (ADA2) is for representatives of an ASX market participant seeking to become an Accredited Derivatives Adviser Level 2.

The course will provide individuals with a comprehensive understanding of the knowledge and skills required to provide advice on basic derivatives transactions.

kaplanprofessional.edu.au

The Accredited Derivatives Adviser Level 2 course is designed for individuals seeking to expand their trading experience to the Australian options market.

LEVEL 2 DERIVATIVES ACCREDITATION CERTIFICATE

On successful completion of the exam, individuals will receive a letter from Kaplan Professional confirming they've passed the Accredited Derivatives Adviser Level 2 exam.

To become a Level 2 Accredited Derivatives Adviser, the application for accreditation of Level 2 Accredited Derivatives Adviser form must be completed by the individual's market participant and forwarded to ASIC. This form can be found on the ASIC website at www.asic.gov.au.

On receipt of a correctly completed form, ASIC will issue the individual's market participant with their Level 2 Derivatives Accreditation Certificate.
