### **If an alumni is already enrolled in another course, can the 10% discount be applied to their remaining studies?**

Yes – eligible alumni who have graduated with a Kaplan Professional Graduate Diploma or Masters course can have the discount applied to future fee invoices starting from Study Period 4 2022.

Eligible alumni who have already enrolled into a higher education subject(s) for Study Period 4 2022 are advised to contact Kaplan Professional to receive tuition fee credit to the value of 10% of their enrolled subject(s) tuition fee to their Kaplan Professional account. This credit may be used in conjunction with the alumni 10% discount towards future higher education studies at Kaplan Professional and is not redeemable for cash.
